8 (1) the Wyoming Range, a rugged chain of
9 mountains running north-south for greater than 100

1 miles in western Wyoming, managed by the Bridger-
2 Teton National Forest, contains some of the finest
3 scenic views, wildlife habitat, and outdoor rec-
4 reational opportunities in the State of Wyoming;

5 (2) the Wyoming Range provides world-class
6 hunting and fishing opportunities;

7 (3) many area outfitters, ranchers, and busi-
8 nesses rely on the habitat and recreational values of
9 the Wyoming Range remaining undiminished;

10 (4) energy development on Federal land in the
11 State of Wyoming contributes significantly to domes-
12 tic energy production in the United States; and

13 (5) consistent with the multiple use mandate
14 for national forest land, currently producing oil and
15 gas leases within the Wyoming Range would be un-
16 affected by this Act.

17 (b) PURPOSES.—The purpose of this Act are—

18 (1) to establish the Wyoming Range With-
19 drawal Area, which would withdraw areas in the Wy-
20 oming Range portion of the Bridger-Teton National
21 Forest from location, entry, leasing, and patent
22 under the mining laws; and

23 (2) to allow for the retirement of existing oil
24 and gas leases within the Wyoming Range With-

3 SEC. 3. WITHDRAWAL OF CERTAIN LAND IN THE WYOMING
4 RANGE.

11 (1) all forms of appropriation or disposal under
12 the public land laws;

15 (3) disposition under laws relating to mineral
16 and geothermal leasing or mineral materials.

(c) EXISTING RIGHTS.—If an existing right to land otherwise withdrawn from leasing under this section is re-

1 relinquished or otherwise acquired by the United States
 2 after the date of enactment of this Act, the land subject
 3 to the existing right is withdrawn from leasing in accord-
 4 ance with this section.

5 (d) BUFFERS.—Nothing in this section requires—

6 (1) the creation of a protective perimeter or
 7 buffer area outside the boundaries of the land with-
 8 drawn under this section; or

9 (2) any prohibition on activities that can be
 10 seen or heard from within the boundaries of the land
 11 withdrawn under this section.

12 (e) FOREST PLAN.—The Bridger-Teton National
 13 Forest Plan (including any revisions) shall apply to any
 14 land within the Bridger-Teton National Forest that is not
 15 withdrawn under this section and any leases of that land.

16 **SEC. 4. RETIREMENT OF CERTAIN LEASES IN THE WYO-**
 17 **MING RANGE.**

18 (a) REQUEST FOR LEASE RETIREMENT.—A lessee of
 19 a valid existing Federal oil, gas, or other mineral lease

 23 retary”) for the retirement and repurchase of the lease.

24 (b) AUTHORITY OF SECRETARY.—The Secretary may
 25 use non-Federal funds to purchase any lease from a lessee

1 who requests retirement and repurchase of the lease under
 2 subsection (a).

3 (c) AMOUNT.—

4 (1) IN GENERAL.—Subject to paragraphs (2)
 5 and (3), the amount of the purchase price for a
 6 lease retired under this section shall be based on fair
 7 market value, as determined from an appraisal that
 8 is agreed to by the Secretary and the lessee.

9 (2) DONATIONS AUTHORIZED.—A lessee may—

10 (A) waive a claim to compensation, in
 11 whole or in part, under this section; and

12 (B) donate to the Secretary a valid exist-
 13 ing lease in the Wyoming Range Withdrawal
 14 Area.

15 (3) ACCEPTANCE OF OTHER COMPENSATION.—

16 Nothing in this Act limits compensation from a pri-
 17 vate, State, or other source in lieu of, or in addition
 18 to, receiving compensation under this section.

19 (d) CANCELLATION OF REPURCHASED AND DO-
 20 NATED LEASES.—

 24 lease that is cancelled under paragraph (1) is with-
 25 drawn in accordance with section 3.

1 (e) NOTIFICATION OF LEASEHOLDERS.—Not later
2 than 120 days after the date of enactment of this Act,
3 the Secretary shall provide notice to holders of valid exist-
4 ing Federal leases within the Wyoming Range Withdrawal
5 Area of the opportunity for repurchase and retirement
6 under this section.

7 (f) RELATIONSHIP TO OTHER AUTHORITY.—Nothing
8 in this section affects any authority the Secretary may
9 otherwise have to modify, suspend, or terminate a lease
10 without compensation.
